

PAST AND CURRENT EXPERIENCE

Medical Support Solutions specialises in the provision of Medical Services in remote, austere and hazardous environments.

The MSS Commercial Business Unit was established in 2016 to serve Oil & Gas, Energy, Mining and Infrastructure clients.

Peter Brink Joined MSS in April 2016 after holding a senior operations management position in the largest global Medical Services and Assistance Company.

Peter specialises in the scoping, deployment and management of medical and consulting services to clients seeking to provide healthcare services to their employees as part of their duty of care.

He brings a wealth of experience and technical expertise with him, having conceptualized, implemented and managed medical services for Mining and Infrastructure clients such as Ivanhoe, Ambatovy, Rio Tinto and Anglo Gold Ashanti. He has also supported and overseen Medical Services for various Oil & Gas clients:

Onshore

-  Tullow Oil - Ethiopia
-  SASOL Group Technology - Mozambique
-  Africa Oil - Kenya
-  Dodsal Resources - Tanzania
-  BGP – Kenya & Uganda
-  Anadarko - Mozambique

Offshore

-  Sapura Energy (SapuraKenkana)
-  Farstad
-  OceanRig
-  Vantage Drilling
-  KCA Deutag
